**Thank you for choosing San Juan Sailing for your sailing instruction!  
We hope you will find this checklist helpful for your planning.**

## ADVANCE PREPARATION

These following texts are required: ASA 114: *Cruising Catamarans Made Easy* by ASA, ASA 105: *Coastal Navigation* by Mike Pyzel and ASA 106: *ASA Advanced Cruising & Seamanship* by Bill Gladstone.

- You can order at the [ASA Store](#), at Amazon, your library, or through iBooks.
- Plan to arrive having fully prepared, reviewing your text along with the course curriculum, so that you're ready for written exam.

## ABOUT YOUR CLASS

- Please arrive at 8:30am for your 105 exam on the first day of your course (10:45am if you already have ASA 105). You'll start loading your gear and food. You'll make lunch together as a group, and get to know each other over sandwiches onboard, before departing.
- Sailing can be a rigorous endeavor, particularly when learning. **Be prepared to be very active while on a moving boat.** If you are sedentary, it would be a good idea to start a moderate exercise program including some upper body training.
- We provide all the food for your course. Let us know if you have any dietary constraints
- Alcoholic beverages are allowed at dock or at anchor, with a two drink per night limit for the safety of all aboard. We do not provide alcoholic beverages, but you are welcome to bring your own.
- Tipping is common, but by no means expected or required. Amounts are variable but those who choose to do so are typically in the range of \$10-\$50/day.
- Recreational marijuana is not allowed. While use is legal in Washington state, it is not legal within Coast Guard jurisdiction. Smoking or vaping is also not allowed on any of the boats.
