Vessels/Rates: See Below

Notes:

- The prices listed by the boats include the charter fee for chartering your boat from 9am Saturday, June 13 through noon Friday, June 19, the daily damage waiver and liability coverage fee for your boat, the Friday (June 12) evening preboard/sleepaboard, your skippers meeting, onboard systems checkout, flotilla fees/activities, linens & towels, dinghy with 2HP outboard and all applicable taxes. Also included is a 1-year membership to ASA (various benefits include travel, charter and retail discounts, and complementary 1-year subscriptions to Sailing Magazine and the ASA Journal). The flotilla price does NOT include provisioning, meals ashore, dock/moorage fees, or fuel.
- Your vessel's fuel tank will be full at the start of your charter and must be returned full. Please top off at the fuel dock in Bellingham. A \$100 fuel top-off fee, plus the price of fuel, will apply if your vessel is not returned with a full tank.
- 30% of your all-inclusive price will be due at the time of booking, as a reservation deposit. After that the remainder of your balance will be due on May 13, 2008. Unless you have made other arrangements we will automatically charge the remainder of your balance to your credit card at that time.
- Please designate a skipper for your boat. The skipper will need to submit his/her sailing résumé to us for approval.
- Cancellation Policy: All fees collected will be refunded, less a \$200 cancellation fee, only if the vessel can be re-chartered.

Provisioning:

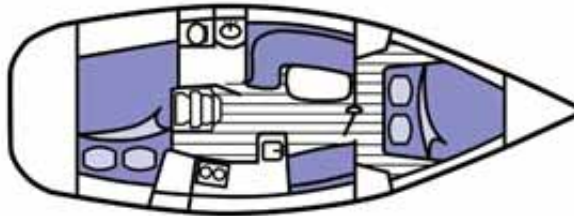

There's a 24-hour full-service grocery store (Haggen Food, 360-671-3300) including deli, meat counter and bakery, 5 minutes by car from SJS's docks (or a \$10 taxi ride). In addition, provisioning is also available in the San Juan Islands at both Friday Harbor and Roche Harbor.

Transportation Tips (directions on our website):

1. Option A - Fly to Bellingham airport (BLI) via Delta, Horizon, or Allegiant Air. Both Delta and Horizon offer connections from other major airlines. Then taxi (approx. \$15) from airport to San Juan Sailing.
2. Option B - Fly to SEA/TAC airport in Seattle (SEA), rent a car (both Hertz and Avis have a one-day, one-way, no-drop-off-charge) and drive (100 miles) to San Juan Sailing. Return the car to the Bellingham Airport before your charter starts and take a taxi back to SJS (approx. \$15). Advantage: You'll have a car for easy provisioning.
