

SWIFTSURE REGATTA

RACE WITH THE BIG BOYS!

Have you ever wondered how a sailor becomes a racer? Join the *Swiftsure Regatta* and find out! Captain Larry Bughi, San Juan Sailing ASA Instructor, can help you gain the experience and specific racing know-how to be competitive the first time out. The *Swiftsure Regatta* is the Royal Victoria Yacht Club's pre-eminent long distance keel boat race, welcoming some of the fastest and best prepared boats in the northwest. Starting and ending in Victoria BC, *Swiftsure* has drawn boats and sailors from California, Hawaii, New Zealand and even Russia. The nature of the course and the varied sailing conditions provide an exacting review of race technique and good seamanship. Captain Bughi's yacht, *Persuasion* (52' custom Wylie), handicaps with "A Fleet", the biggest and fastest fleet in the regatta. This is a competition against the very best boats and crews on the Regatta's longest course!

Join the experience of a lifetime!
