

A SPECIAL OPPORTUNITY

2012 San Juan Sailing Caribbean Adventure!

- Sun!
- Tradewinds!
- Great Sailing!
- Snorkeling!
- Beautiful Beaches!
- 80° Water!

Join our Caribbean flotilla in late February 2012, departing Tortola in the BVIs. You'll have a whole week to hone your "trade wind" sailing skills! For a little "coaching" if needed, you'll have top San Juan Sailing instructors, Tim Hoving and Mike Huston, as your flotilla leaders and guides in this Caribbean paradise.

You'll explore the crystalline aqua waters, beautiful white coral-sand beaches and tropical shores of these beautiful islands! Adventures are a daily event in the Caribbean. And a nightly event, too!

San Juan Sailing is the booking agent for Horizon Yacht Charters boats. And we'll set up your bareboat charter on the boat of your choice. Just call us! Ask for Jermaine.

2012 Dates: Sunday, February 26 (noon) through Sunday, March 4 (noon)

Flotilla Fee: \$250/week

*This is prime charter season in the Caribbean, so we encourage you to call soon if you are interested.
(We can also help advise you regarding airline service to Tortola.)*
